

Guidelines: Monsoon Banner System 2500mm x 1000mm

Banner Size

2420mm x 920mm

Work at 1/4 size.

605mm x 230mm

Size including hem at 1/4 size.

620mm x 245mm

Artwork should be in CMYK.

All images should be 300dpi.

Please outline all fonts.

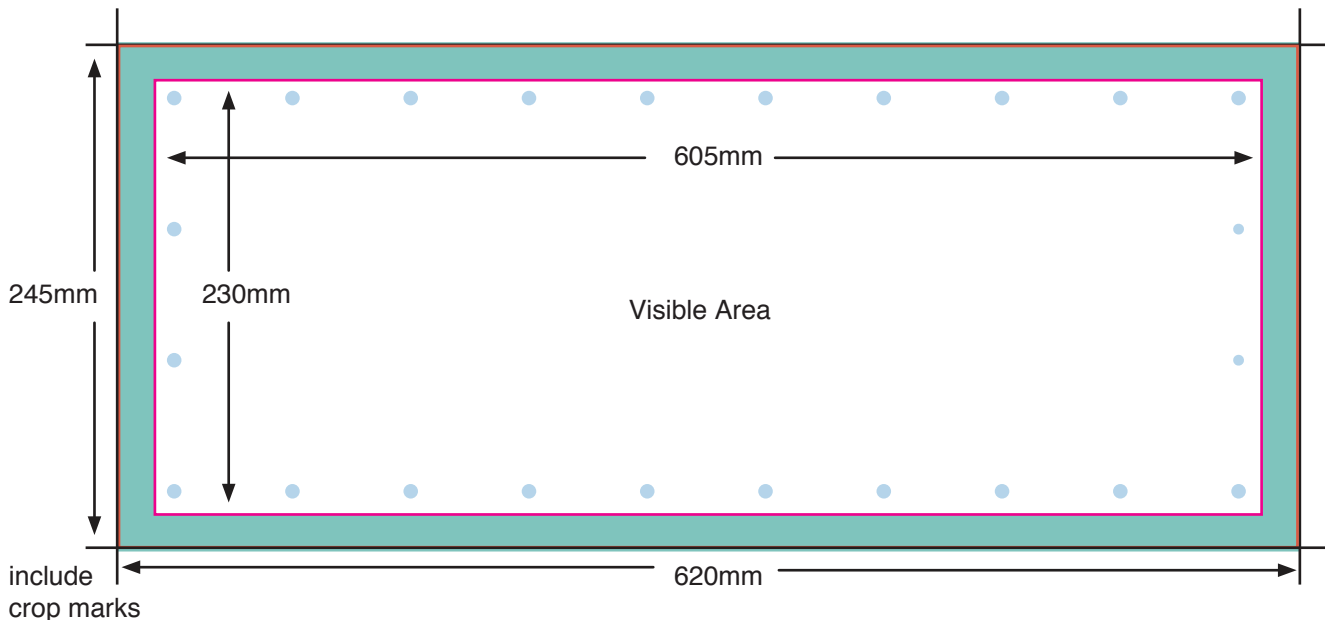

Preferred file types:

- PDF
- EPS
- TIFF

Outdoor Banners need a 30mm hem around the artwork.

Include complete crop marks all the way round your artwork at the edge of the hem.

Work at 1/4 size.

Please do not add important information within 30mm of the border edge as it may be hidden by the banner eyelets.

include key line around the visible area - 0.25pt 100% magenta
