BANNERS FOR BUSINESS

Guidelines:
Orient Banner
800mm wide

Banner Size
800mm x 2110mm + 150mm take-up
Work at 1/4 size.
200mm x 527.5mm + 37.5mm take-up

The lower 200mm of your printed banner will retract into the roller mechanism of the system. Avoid placing any text or objects in this area but extend background colour into it.

The gripper bar at the top will cover approx 10mm of the printed banner.

Show crop marks on your artwork.
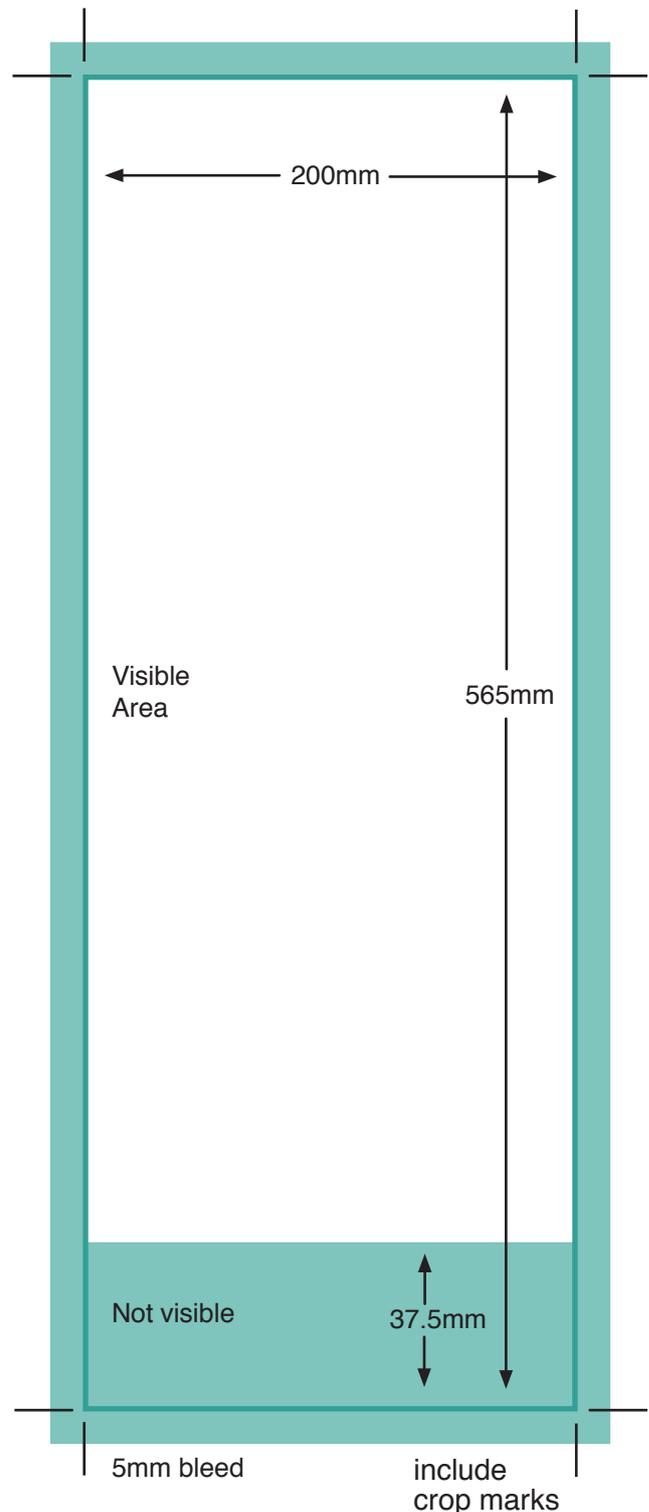

Add 5mm bleed.

Artwork should be in CMYK.

All images should be 300dpi.

Please outline all fonts.

Preferred file types:
- PDF
- EPS
- TIFF

If you need to send other file formats please contact us for further details.
